

## HYDRA Comfort Milk ●●●●

Product Line: HYDRA Comfort Cleansing Line (code V801, C801)

---

### DESCRIPTION

A gentle cleansing milk that removes impurities and make-up safely, respecting the natural conditions of skin. It maintains the moisture mantel, and improves the skin structure. HYDRA Comfort Cleansing Milk is an excellent cleanser for all skin types.

The products is available in retail size (V801, 200 ml) and in cabin size (C801, 500 ml).

---

### MAIN ACTIVE AGENTS

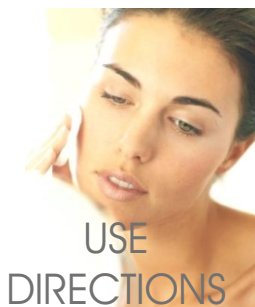

**Palm Oil** - This high quality oil is far superior to other vegetable oils. It is a very good skin conditioner. It cleanses gently and is particularly well tolerated by the skin.

**Soybean Oil** - This oil has a regenerative effect on the cutaneous tissues due to the presence of unsaturated fatty acids, and therefore enhances local circulation in the area treated to bring about revitalization of the dermis.

**Panthenol** - It regenerates and soothes skin.

**pH: 6,5/7,0**

---

### USE DIRECTIONS

For daily skin cleansing or for removing the make-up, simply distribute HYDRA Cleansin Milk on face, eye area, neck and décolleté with delicate circular movements, remove with a cotton pad. Then apply HYDRA Comfort Tonic in order to balance the pH level.

---

### SKIN CONDITION

For all the skin types.

---

### NOTES
