

B-LIKE Smoothing Cream

Natural Treatments: B-LIKE treatment (product code V410)

DESCRIPTION

Smoothing Cream 24 h based on "natural boto", namely the combination of natural peptides contained in Quillaja and Kigelia extracts, which has important properties for reducing face mimic wrinkles. The other natural extracts complete the moisturizing and smoothing efficacy of this rich and precious cream.

This product is available in retail size (V410, 50 ml) and in syringes (S1-400, 5 ml) inside B-like Kit.

MAIN ACTIVE AGENTS

Kigelia Fruit Extract (*Kigelia Africana*)* - Kigelia has many applications in African medicine to treat rheumatism or wounds Kigelia fruit extract is very rich in peptides, which help to firm the epidermis due to their natural tensing mechanism.

Quillaja Bark Extract (*Quillaja Saponaria*)* - Rich in polysaccharides, it helps to maintain the skin's hydration by forming a protective film on the surface. It helps the skin to retain its suppleness.

**The peptides contained in this two extracts (Natural-boto) perform their anti-wrinkle efficacy through an elaborate effect of cellular reactivation.*

Shea butter (*Butyruspermum Parkii*) has skin nourishing and softening properties

Rice Bran Oil (*Oriza Sativa*)- With its natural antioxidants and phytosterols is a very potent skin protectant.

Wheat Germ Oil (*Triticum Vulgare*) - Good moisturizer, makes the skin elastic and supple.

Olive Leaf Extract (*Olea Europaea*) - Astringent, antiseptic extract. Contains flavonoids and oleanolic acid, boosts the health of the skin.
