

HYDRA Comfort Moisturizing Cream ●●●●●●

Product Line: HYDRA Comfort - Creams (code V805, C805)

DESCRIPTION

Day and night multi-active cream, rich of vegetal extracts. Its fine blend of active agents is suitable for all skin types: it is very good also for oily skin, requiring a high level of moisture and protection 24 H a day, and for young skin in order to prevent fast skin ageing.

HYDRA Comfort Moisturizing Cream is available in retail size (V805, 50 ml) and in cabin size (C805, 250 ml).

MAIN ACTIVE AGENTS

Avocado Oil (*Persea Gratissima*) - It is an extremely good moisturizing and nourishing compound, assisting in the regeneration and rejuvenation of the skin. Avocado oil is easily absorbed into deep tissue. It also helps to relieve the dryness and to maintain the integrity and functioning of the lipid barrier.

Ceramide 3 - The skin gets its smooth, intact surface and is protected from water loss.

Yeast extract (*Faex*) - It has a stimulating and activating effect on cell metabolism by means of an increased production of ATP, the most important energy source of the cells. The cell's vitality is improved.

pH: 5,5/6,5

USE DIRECTIONS

Mornings and evenings, apply the cream on cleansed and tonfied face and neck. Gently massage until complete absorption with circular movements.

SKIN CONDITION

All skin types. Normal to dry.

NOTES

HYDRA Comfort Line includes other two *moisturizing* products as a complete and intensive skin care: HYDRA Comfort Moisturizing Serum (to be used in synergy with Moisturizing Cream everyday) and HYDRA Comfort Moisturizing Mask (to be used in synergy with Moisturizing Cream and Serum twice per week).

***in cabin the product can be used with ionophoresis.

Polarity: NEGATIVE

Time: 4/6 minutes.

HYDRA Comfort Regenerative Cream ●●●●●

Product Line: HYDRA Comfort - Creams (code V806, C806)

DESCRIPTION

Hydra Comfort Regenerative cream is very rich night & day creamy emulsion developed to support skin regeneration. The innovative formulation is studied for intensive anti-age treatment in order to stimulate the cell turn-over. It helps the skin regain and preserve its vitality, elasticity, and its normal healthy complexion.

This product is available in retail size (V806, 50 ml) and in cabin size (C806, 250ml).

MAIN ACTIVE AGENTS

Bilberry Extract (*Vaccinium Myrtillus*) Astringent, Vein protectant, toner.
Sugar Cane Extract (*Saccharum Officinarum*) It is a great help to promoting younger looking skin and to minimizing the effect of ageing.
Orange Extract (*Citrus Dulcis*) Antioxidant, protecting with vitamin C. Stimulates the skin regeneration.
Sugar Marple Extract (*Acer Saccharinum*) It has a moisturizing effect on the skin, by increasing the moisture content of the upper skin and so smoothing out fine lines and wrinkles.
NMF Factor Contains the building material which is responsible for the moisture balance of healthy skin. The skin regains its natural ability to absorb moisture and to retain it, thus lending it elasticity and suppleness.

pH: 5,5/6,1

USE DIRECTIONS

Mornings and evenings, apply the cream on cleansed and tonified face and neck. Gently massage until complete absorption with circular movements.

SKIN CONDITION

All skin types.
Particularly suitable for mature or dry and devitalized skins.

NOTES

*** in cabin the product can penetrate with ionophoresis
Polarity: NEGATIVE
Time: 4/6 minutes.

HYDRA Comfort Anti-age Cream

Product Line: HYDRA Comfort - Creams (code V807, C)

DESCRIPTION

Day and night emulsion that increases natural moisture and cellular activity; prevents small wrinkles, fine lines and loss of elasticity. Moreover it helps cells turnover, giving skin a firm and lifted aspect. The formulation is studied for a daily use. Contains sun filter for protecting the skin from the damages of sun rays.

HYDRA Comfort Anti-age Cream is available in retail size - 50 ml - and in cabin size - 250 ml.

MAIN ACTIVE AGENTS

Wheat Germ Oil (*Triticum Vulgare*) - This plant protein increases the moisture content of the skin, makes it smooth and soft and provides a comfortable skin feel.

Clover Extract (*Trifolium Pratense*) - Red clover's natural properties are beneficial in the treatment of skin irritations and inflammations, It also contains isoflavones.
