

HYDRA Comfort Moisturizing Serum ●●●●

Product Line: Hydra Comfort - Serums (code V855)

DESCRIPTION

Day and night multi-active serum rich of natural extracts.

It is ideal for oily skin types requiring high level of moisturising and protection, 24 hrs a day. It prevents and treats skin ageing suppling smoothness and silky appearance to the tissue. The formulation is studied also for young skins in order to prevent fast ageing.

Available in retail size of 30 ml.

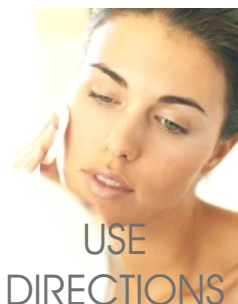

MAIN ACTIVE AGENTS

Yeast Extract (*Faex extract*) - Yeasts are a big group of very different fungi. Yeast are composed of many valuable substances like proteins, peptides and amino acids, storage compounds, enzymes and polysaccharides as well as Vitamins of the B group. The Yeast extract used here has a stimulating and activating effect on cell metabolism by means of an increased production of ATP, the most important energy source of the cells. The cell's vitality is improved.

Panthenol - It is provitamin B5 which conditions the skin.

pH: 5,5/6,5

USE DIRECTIONS

HYDRA Comfort Moisturizing Serum is designed to be used every day. It is to be applied on cleansed and tonified skin as skin moisturizer, and aging preventing support. Apply it gently by tapping with fingertips until complete absorption.

SKIN CONDITION

All skin types. Normal to dry.

NOTES

HYDRA Comfort line includes other two *moisturizing* products as a complete and intensive cure: HYDRA Comfort Moisturizing Cream (to be used in synergy with Moisturizing Serum everyday) and HYDRA Comfort Moisturizing Mask (to be used in synergy with Moisturizing Cream and Serum just twice per week).
